

**LOW MAINTENANCE**

**DURABLE, EASY INSTALLATION**

# Composite Fencing

Timco Wood's WPC (wood plastic composite) fencing system offers a fresh approach to traditional wooden fencing. Our modern composite panels display a stylish decorative edge creating a light and airy border.

- No more frost damaged, cracked or chipped concrete posts
- Easy to carry and deliver; lighter than concrete posts
- All panels easily slot into place
- Clean, modern design
- No hand or foot holds for added security
- Low Maintenance
- Recycled, Eco Friendly FSC® Certified wood

Timco Wood's excellent low maintenance fencing range creates an outstanding look, that will compliment your garden beautifully for years.

## Eco-Friendly - Sustainable - UV Stable

Our WPC fencing benefits from a low maintenance and clean appearance, creating a focal point in your garden whatever the season.

Our stylish fencing is the modern alternative to timber - the combination of wood and plastic makes the composite fencing a perimeter to be proud of. Our fences are unbelievably simple to install with the addition of rigidity and increased security.

CODE	IMAGE	TITLE	DIMENSIONS	COLOURS
TNF001		Composite Interlocking Reversible Fence Panel	Length: 1783mm Width: 21mm Height: 159mm	Grey & Redwood Surface 1: Smooth Surface 2: Grooved
